NOTES

*Application Type: Council's Uniform Monitoring System. There are no Permissions in Principle. Data only included for Major Sites. (Small Sites defined as Deliverable in NPPF Annex 2 unless discounted).

Planning Permission Numbers: Sites may have multiple planning permissions. The permission shown may be the original permission for the site and which has been superseded by subsequent permissions as the site has progressed. A number of sites have completed dwellings.

**Annex 2: Column shows how sites have been categorised according to definitions in Annex 2 of NPPF 2019.

***Inputting error HLA05322: Outline Permission and should be categorised as developable and positioned after current 5-year period (20 units would move from Year 7 to Year 8+).

Major Sites Categorised as Developable: 17 sites with detailed planning permission categorised as developable and positioned after current 5-year period. Balanced approach reflecting potential delays resulting in uncertainty about coming forward in the next 5 years.

Trajectory: Specific site positioning only carried out for Major Sites. Small sites not positioned individually. Trajectory totals only relate to Major Sites.

Five Year Period: Current 5-year period (Year 3 to Year 7).

Descriptions of Proposals/Site History: These would be difficult to accommodate in this table given the amount of data included but can be found via the Council's website Search Facility (where full planning application and permission details are provided).
