STAGE 3 HEARINGS

PROGRAMME AND AGENDAS (v.6 – 14/6/2021)

Tuesday 15th to Thursday 17th June 2021

To be held online via video conferencing

Please note:

- The hearings programme may be subject to change. You should continue to check the Council's examination website for updates prior to the event.
- The sessions do not cover all of the matters in the evidence documents published by the Council in early 2021. The Inspector considers that some issues can be dealt with via written representations and previous oral submissions.
- The Inspector is not seeking hearing statements or any further written evidence at this stage.
- A small number of evidence documents are still outstanding from the Council or have only recently been completed. The Inspector will determine whether hearing sessions are needed on these matters in due course. Sessions would be held in the late Summer/Autumn. The documents are:
 - 1) Waste Site Assessment Update 2021 (document CC131 – consultation closed 24th May 2021).
 - 2) Habitat Regulations Assessment on M62 traffic impacts (TBC)
 - 3) Flood Risk Exception Test for site LP0327 in Todmorden (TBC)
 - 4) Sustainability Appraisal of rejected site and policy options (TBC)

- 5) Updates to employment land supply in document CC129 (TBC)
- 6) Council's response to representations made on the Local Plan Air Quality Assessment Report (CC132) (TBC)

If you wish to observe one of the hearing sessions listed below:

The sessions will be held online via Zoom, and will be livestreamed via YouTube for everyone to watch. A link will be provided on the Council's examination website.

If you need help assessing the link or any further information, please contact the Programme Officer, Miny Schofield (see contact details above).

Active participants at the meetings have already been contacted by the Programme Officer.
