STAGE 4 HEARINGS

PROGRAMME AND AGENDAS (v.2 – 16/9/2021)

Wednesday 29th and Thursday 30th September 2021

To be held online via video conferencing

Please note:

- The hearings programme may be subject to change. You should continue to check the Council's examination website for updates prior to the event.
- The sessions do not cover all of the matters in the evidence documents published by the Council since the Stage 3 hearings, as listed in tables 7 and 8 in document CC110. The Inspector considers that some issues can be dealt with via written representations and previous oral submissions.
- The Inspector is not seeking hearing statements or any further unsolicited written evidence at this stage.
- The hearing session on the Habitat Regulation Assessment (HRA) air quality work (document CC149) is postponed until late October/early November 2021. The Council is in the process of preparing a Statement of Common Ground with Natural England. The date of the session and agenda will be published in due course.

The hearing programme:

The list of sessions is shown in the table below. Detailed agendas and names of participants are set out in the following sections.

The sessions will be held on Zoom and will be livestreamed via YouTube for everyone to watch on the day (via a link on the Council’s examination webpage).

Please contact the Programme Officer if:

- You have any further questions on the sessions, or
- You do not have access to a computer or smartphone.

Please note that the deadline for requesting to participate in the hearing sessions (e.g. take an active part in the discussions, rather than just observe) has already passed.

The hearing programme and agendas are subject to change, so you are advised to keep checking for updates on the Council’s examination webpage at:

<https://www.calderdale.gov.uk/v2/residents/environment-planning-and-building/planning/planning-policy/local-plan>

Documents referred to in the agendas can be viewed on the Council’s examination webpage.
