Subject: FW: Air Quality Assessment Document References

Hi Richard,

I have now reattached the Local Plan human health air quality assessment report as final for upload (updated figures to follow). They are marled as v1 as distinct from the draft submission last week. This final draft includes the exam library references provided by Philip, removal of the draft watermark and a few minor alterations.

Cheers,
Stuart

Hi Philip,

I think that's ok in the circumstances....

Can you let Stuart Bennett at WSP know the relevant document references, and the we can hopefully substitute the final version of the AQ assessment (the public health one).

Thanks

Richard

Subject: Consultation

The Webteam have just put the last documents up on the web. I'm thinking it will be best o start the consultation on Friday now, would have less complaints about overlap and neater start and finish dates... [Irrelevant comment deleted]

Hi Richard,
Just a quick check in to ask if you have the exam library references from Philip Dawes yet so we can issue the report as final?
Cheers,
Stuart

Hi Richard,

I have now attached the main document for comment. You will notice in the document I have left the following references highlighted in yellow as I'm struggling to find the examination library references:

- WSP (2020). Local Plan Stage 2 Examination – Matter 8 Growth Delivery, Infrastructure and Viability. Air Quality and Carbon Evidence Base Review. WSP August 2020.
- Stage 2 examination of the Calderdale Local Plan Matter 8 Growth delivery, infrastructure and viability. Inspectors Post-Hearing Questions.
- Calderdale Metropolitan Borough Council (2018). Calderdale Council Replacement Unitary Development Plan, Adopted 25/08/06, Amended 3/08/09.
- WSP Parsons Brinkerhoff (2016). Calderdale Strategic Transport Model Local Validation Report (October 2016).
- WSP (2021). Calderdale Local Plan Habitats Regulations Assessment Air Quality Assessment (2021). [new reference-will this be allocated a number?]
- Calderdale Metropolitan Borough Council (2020). Annual Status Report (June 2020). [new reference-will this be allocated a number?]

Would you be able to provide these please?

On confirmation I'll issue a final .pdf in advance of upload on Tuesday.

Thanks,
Stuart
