Friday 9 th October PM	Viability

Please contact the Programme Officer if you are unsure which session you are due to attend.

MORNING SESSION 10am – AIR QUALITY AND CARBON EMISSIONS

[Q8a-d Growth Delivery]

1. Inspector's opening remarks
2. Impact of proposed growth on air quality
 - Impact of growth in the submitted Plan - use of A629 and Clifton Enterprise Zone as proxy (as set out in the Air Quality and Carbon Evidence Base Review 2020)
 - Impact of the Council's proposed higher level of housing growth on air quality in AQMAs¹ and elsewhere in the borough
3. Role of the Local Plan in managing air quality
 - Council's strategy for AQMAs – what is the Council seeking to achieve?
 - Approach to AQMAs in Policy EN2
 - Overall level of detail for applicants in Policy EN2

¹¹ Air Quality Management Areas

4. West Yorkshire Low Emissions Strategy – progress with update?
5. Carbon emissions
 - Confirmation of the local, regional and national carbon reduction/net zero targets
 - Role of the Local Plan in delivering carbon reduction
 - Proposed Main Modification to insert the local carbon reduction target in supporting text to Policy CC1 (in document CC57)
 - Proposed Main Modification to Policy SD2, bullet on climate change (CC57)

AFTERNOON SESSION 2PM – INFRASTRUCTURE NEEDS

[Q8e-j Growth Delivery]

PLEASE NOTE that items 6 to 10 will deal with an overview of the infrastructure evidence and the Council's general approach to infrastructure delivery. It will not cover details relating to specific allocation sites or individual infrastructure projects. Detailed site-specific matters will be covered at subsequent hearing sessions on specific sites (matters 13 to 21).

6. Inspector's opening remarks
7. Transport evidence: what infrastructure is needed to support growth in the Plan?
 - Infrastructure Delivery Plan (IDP) 2020 (document CC66): the role and scope of the document, and information on the A641 Corridor Investment Programme
 - IDP 2019 (EV42.1): the role of the document and how it links to the Transport Technical Note 13 (CC62b)
 - An overview of evidence relating to the Strategic Road Network
8. Modelling cumulative growth in Transport Technical Note 13 (CC62b): applied Plan period, level of housing growth and methodology
9. Infrastructure evidence for education, health and well-being and sports provision
 - Education
 - Health and well-being
 - Sports provision
10. Overview of infrastructure delivery – extent of committed funding, developer contributions and funding gap
11. Role of the Local Plan in setting out infrastructure requirements
 - Role of Policy IM1
 - Role of Policy IM7
 - Capturing site-specific considerations in Appendix 1 of the Plan
